JFK STREET ROADWAY RECONSTRUCTION

*Mt. Auburn St to Brattle St
Tuesday, May 8 and Wednesday, May 9*

As part of ongoing improvements, the City's contractor, D'Allessandro Corp., will begin reconstructing the surface of the roadway on JFK St (Mt. Auburn St to Brattle St) on **Tuesday, May 8**, to prepare the street for paving. Work hours will be 7 AM to 4 PM, and JFK St will remain open with one lane of traffic during the road work. We expect the work to take 1-2 days to complete.

What to Expect During Roadway Reconstruction

- The road will remain open during work hours with one lane of traffic.
- There cannot be any cars parked on the street during this work. Please be sure to check "No Parking" signs to avoid being ticketed and towed.
- Signage and police details will be in place to assist neighbors, but drivers are encouraged to seek alternate routes.
- **Final paving is tentatively scheduled for Monday, May 14.** An additional notice confirming the paving date will follow.
